This amendment is issued to extend the date of receipt for SOQs, Past Performance References and the period offered for Site Visits. It provides clarification on the number of proposal copies that must be submitted, updates paragraph B.4, and replaces paragraph L.2.4. The amendment adds another company to the list of Non-Government Advisors and addresses questions initiated as a result of the Bolling AFB April 12, 2000 Preproposal Conference. It also extends the closing date and time for proposals to 28 Jul 00.

See Attached.

- A. The closing date for this solicitation is extended to 28 Jul 00 at 3:00 p.m. local time, Fort Belvoir, VA.
- B. Standard Form 33, Solicitation, Offer and Award, block 9 is modified to read as follows: Offeror shall submit an original and Five hard copies in three-ring binders. An additional copy shall be submitted on a CD.
- C. Para B.4 sentence 4 is modified to read as follows: "Each system will be analyzed separately to ensure it satisfies the economic conditions set forth in 10 USC, Section 2688".
- D. Para L.2.1.4 is modified to include the company TRW as a Non-Government Advisor.
- E. Para L.2.1.5 is modified to change the site visit time period to read: Site visits will be allowed between 20 April 00 and 19 May 00. All site visits must be scheduled by appointments. Appointments for site visits must be scheduled three (3) working days in advance of the date requested for the site visit. Appointments may be made by contacting Mr. Rama Ganti at 202-404-8203 or email [Rama.Ganti@bolling.af.mil](mailto:Rama.Ganti@bolling.af.mil).
- F. Para L.2.4 is replaced with the following:

Agency Protest (DESC DEC 1999) - DLAD 52.233-9000

Companies protesting this procurement may file a protest (1) with the Contracting Officer, (2) with the General Accounting Office, or (3) pursuant to Executive Order No. 12979, with the Agency for a decision by the Activity's Chief of the Contracting Office. Protest filed with the Agency should clearly state that they are an "Agency Level Protest under Executive Order No.12979." (**Note:** DLA procedures for Agency Level Protests filed under Executive Order No. 12979 for a higher level decision on the initial protest that would occur with a protest to the Contracting Officer; this process is not an appellate review of a Contracting Officer's decision on a protest previously filed with the Contracting Officer.) Absent a clear indication of the intent to file an agency level protest, protest will be presumed to be protests to the Contracting Officer.

- G. Para L.3.4 is modified to read as follows: The date for receipt of Statements of Qualifications (SOQs) are due 5 May 00 at 3:00 p.m. local time, Fort Belvoir VA.
- H. Para L.7 is modified to read as follows: The Offeror shall submit to the Contracting Officer its past performance information (contact references per Section L, Attachment1) on 5 May 00 at 3:00 p.m. local time, Fort Belvoir VA.

The following information is provided as a result of the Bolling AFB preproposal conference. Information is not included as part of the amendment and does not alter in any way the terms and conditions of the solicitation.

Bolling AFB Utility Privatization Questions and Answers

**1. Why wasn't the Bolling AFB utility privatization effort part of a regional approach with other Department of Defense Installations in the local area?**

The Government seeks to regionalize utility privatization efforts as much as possible, however, customer requirements do not always make this a possibility.

**2. Does the Bolling Request for Proposal (RFP) specify the order of importance in evaluating factors and subfactors?**

Yes, see para M.4.1, page 80 of the solicitation.

**3. When will the contract be awarded?**

The Government stated during the pre-proposal conference that we would like to award the Bolling AFB privatization effort at the end of the year. Since acquisition milestones are Procurement Sensitive, the actual proposed award date cannot be released.

**4. Can the Government provide the appraisal for the capital equipment (by system) to offerors? This would assist in determining the value of the equipment being purchased from the Government.**

Information is procurement sensitive and not releasable at this time.
